Sales Representative (UK)

Description

Mertik Maxitrol belongs to a global group of companies that produce and sell gas pressure governors, gas safety devices, gas filters, and electronic gas modulation systems. Our products are used in various industries, including HVAC, hearth, heat processing, commercial cooking, and gas supply.

The company is looking for a sales representative for the United Kingdom. Mertik Maxitrol's UK office is located in South Wales. Responsibilities include existing and new customer sales and support. Qualified candidates should possess strong verbal and written communication skills, proficiency in Microsoft Office, have a technical inclination and possess a valid UK driver's license. Candidates with technical training and experience and/or degree preferred.
